Welcome

First and foremost, congratulations and thank you for your interest in Michael Mann Photography!

How exciting for you and your family.

The task you have in front of you is no easy one. Selecting an artist to tell your story is probably one of the most important decisions you will have to make in the upcoming months and one that will be with you for the rest of your life!

My goal is to tell your story in the most compelling way possible.

I treat every event with the care and the trust that it deserves.

What could be more important than giving your family beautiful images that will provide enjoyment for years, and hopefully, generations to come?

The responsibility of documenting your day is one I take very seriously.

Enclosed you will find detailed information about my products and collections. Please let me know if you have any questions.

I look forward to working with you.

Michael Mann
